PERSONALISED REMINDER SERVICE.

Your BMW knows best when its next service is due. Its on-board maintenance system, Condition Based Service (CBS), determines your BMW's individual service requirements and displays this information in the cockpit – giving you ample time to arrange an appointment that best fits your schedule.

And when you get to the garage, everything runs like clockwork. Your BMW Service Centre can immediately determine what needs to be done using the CBS data stored in your BMW key. One good reason to hand over the keys to your BMW.
