WIRELESS CHARGING
PASSION KNOWS NO LIMIT. THOSE ON A MISSION KNOW THE FEELING. THE INFINITE PURSUIT OF A NEW EXPERIENCE. THE NEED TO EXPLORE THE UNFAMILIAR. THE WANT TO ERASE IMAGINARY BOUNDARIES. FOR THERE'S NO JOY GREATER THAN DISCOVERING. SO CHASE A HIGHER WAVE. SEEK A NEW SUN. REACH A FAR-OFF LAND. KEEP MOVING. THE BMW X3. ON A MISSION.
MORE POWER FROM LESS FUEL.

The BMW TwinPower Turbo engines offer the greatest possible dynamic performance and efficiency, thanks to the newest injection systems, variable output control and sophisticated turbocharger technology. The engines from the BMW EfficientDynamics engine family allow markedly more agile power delivery and outstanding responsiveness even at low rpms, while being fuel-efficient and low in emissions.

MORE SPEED, LESS WEIGHT.

Lower weight with intelligent lightweight construction. Special consideration for every last detail – intelligent lightweight construction means that the optimal material is found and implemented for each part of the vehicle. With extremely light high-tech materials such as aluminium, BMW EfficientLightweight is pursuing the goal of minimising vehicle weight. That leads to even more dynamic performance, increased stability and heightened vehicle safety and comfort.

IN THE BMW X3.

AERODYNAMICS.

With targeted measures focusing on Aerodynamics, BMW has optimised drag coefficient and efficiency as well as interior acoustics. Fuel consumption has also been reduced. The Active air stream kidney grille, the Air curtain on the front wheels and the Aero wheels are all targeted and detailed measures to further reduce air resistance.

DRIVING EXPERIENCE CONTROL INCL. ADAPTIVE MODE INCL. ECO PRO.

The Driving Experience Control offers the driver the choice between the standard COMFORT Mode, ECO PRO Mode, geared towards efficiency, SPORT and SPORT+ Modes, which enables even more dynamic driving. The new interactive function Adaptive Mode continuously adjusts the Dynamic Damper Control, the steering and the Steptronic transmission to suit the current driving situation.

BMW X3 xDrive20d
- BMW TwinPower Turbo four-cylinder diesel engine with 140kW (190hp) and 400Nm of torque
- Acceleration 0–100km/h: 8.0s
- Top speed: 213km/h
- Fuel economy km/l: 16.55
- CO₂ emissions g/km: 160.00

BMW X3 xDrive30i
- BMW TwinPower Turbo four-cylinder petrol engine with 185kW (252hp) and 350Nm of torque
- Acceleration 0–100km/h: 6.3s
- Top speed: 240km/h
- Fuel economy km/l: 11.13
- CO₂ emissions g/km: 213.00

*Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel, etc. as specified in Rule 155 of Central Motor Vehicle Rules, 1989.

Available only in select variant.
The 8-Speed Steptronic Sport transmission offers incredibly sporty gear changes. The engine is mated to 8-Speed Steptronic Sport transmission which not only helps in bringing more efficiency but also reducing fuel consumption.

The Dynamic Damper Control makes it possible to adjust the damper characteristics to suit any given driving situation, increasing roll comfort and driving dynamics. Electronically controlled dampers adapt the damper response to the road surface and driving conditions.

The Hill Descent Control (HDC) in the BMW X3, is a system which, when activated, ensures that the vehicle can master the steepest downhill runs automatically and safely at just above walking pace, without the driver having to brake.

The extremely torsionally stiff but light body construction provides the basis for sporty driving dynamics, high precision steering and agility. Additionally, it offers passengers the best possible all-round protection.

Dynamic Stability Control (DSC) permanently assesses the vehicle’s movements and stabilises it using engine and braking regulation when unstable driving conditions are detected. Additional features of DSC are, for example, brake drying, braking readiness or the Hill-Start assistant, which holds the vehicle briefly in place when starting on inclines to prevent it from rolling backwards.

With the fully adaptive LED headlights, not only does the outer light move with the steering but also the 4 source LED (low and high beam) including DRL’s which distinguishes the look of the BMW X3 both at night and during daytime.
Exterior equipment:
- Luxury Line package
  - BMW Active air stream* kidney grille with seven exclusively designed vertical slats and Grille frame in Chrome
  - Front bumper with specific design elements in Chrome
  - Trim element Air Breather with design elements in Chrome
  - Side window surrounds and window recess finisher in Chrome
  - Mirror base and mirror foot in Black High-Gloss
  - Side skirt trim in Frozen Grey with accent in Chrome
  - Underbody protection front and rear in Frozen Grey Matt with accent in Chrome
  - Fully Adaptive LED Headlamps
  - LED fog lights
  - Twin exhaust tailpipe (R-L) in Chrome
  - LED Tail Lamps
  - Acoustic comfort glazing
  - Aluminium Roof rails
  - Drive badging on front fenders, including "X" badging on B pillar
  - 19" light alloy wheels Double-spoke style 696

- Fully Adaptive LED Headlamps
- LED fog lights
- Twin exhaust tailpipe (R-L) in Chrome

  - Dynamic Damper Control
  - Wireless Charging
  - BMW Live Cockpit Professional with Navigation
  - Galvanic embellish in Chrome for controls
  - Instrument panel in Sensatec
  - Panoramic Sunroof
  - Automatic air conditioning with 3-zone control
  - Ambient lighting with Welcome Carpet
  - Automatic Operational Tailgate
  - Rear-view Camera with Park Assist
  - Fully digital 12.3" Instrument Display

* Available only in Diesel variant.
1 Apps available on Apple CarPlay® is dependent on a country specific offer by Apple.
2 The compatibility and range of functions from Apple CarPlay® depend on the model year and the software installed on the iPhone®. When the Apple CarPlay® preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.
The Adaptive LED headlights include low-beam and high-beam headlights and turn indicators with full LED technology. The equipment also features BMW Selective Beam, cornering lights, daytime running lights and Adaptive headlights with variable light control for excellent illumination of the road ahead and better visibility in the dark.

Rear seat backrests divisible in a 40:20:40 ratio ensuring flexibility when transporting people, luggage and other various items.

‘Telemophony with wireless charging’ offers a comprehensive telephony package with Bluetooth connectivity.

Ambient light, including Ambient contour lighting in the front and rear doors, creates a relaxed lighting atmosphere in the interior. The Welcome Light Carpet illuminates the area in front of the car doors when entering and exiting. Six dimmable light designs in White, Blue, Orange, Bronze, Lilac and Green are available.

Sculptural, three-dimensional full LED rear lights.

Sculptural, three-dimensional full LED rear lights.

Seats in Leather ‘Vernasca’

Seats in Leather ‘Vernasca’

Remote backrest unlocking for the rear seats allows the rear seat backrests to be unlocked and folded down conveniently via a button in the luggage compartment.

Rear seat backrests divisible in a 40:20:40 ratio ensuring flexibility when transporting people, luggage and other various items.

EQUIPMENT HIGHLIGHTS.
Preparation for Apple CarPlay® supports the convenient and wireless use of selected iPhone® functions in the vehicle. This allows smartphone content and functions such as music, iMessages/text messages, telephony, Siri and selected third-party apps to be displayed and operated via the vehicle’s user interface and via voice control.

The newly developed interface design of BMW Live Cockpit Professional makes using the constantly expanding function of the infotainment system in the BMW X3 easier, more lucid and intuitive. The 26 cm (10.25”) LCD display has Touch Functionality, configurable home screen, 3D Maps and can also be operated through iDrive Touch Controller.

The Instrument panel in Sensatec lends the interior of the vehicle a highly exclusive atmosphere. The artificial leather is applied directly to a semi-rigid foam, and features an impressively soft surface. The wear-resistant material around the door panels on the front and rear features attractive double-lap seams.

Harman Kardon surround sound system with 600 Watt digital amplifier, vehicle-specific equalising and loudspeakers with Chrome detailing.

Automatic air conditioning with three-zone control includes Automatic Air Recirculation (AAR) with a micro active carbon filter, as well as fogging and solar sensors.

The Instrument panel in Sensatec lends the interior of the vehicle a highly exclusive atmosphere. The artificial leather is applied directly to a semi-rigid foam, and features an impressively soft surface. The wear-resistant material around the door panels on the front and rear features attractive double-lap seams.

Exclusive galvanic embellishers for controls such as the Start/Stop button, along with volume and temperature dials, lend a particularly high-quality look.

Rear View Camera with Park Assist - Camera and ultrasound-based parking assistance system.

The scope of the assistance feature is within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.

The compatibility and range of functions from Apple CarPlay® depend on the model year and the software installed on the iPhone®. When the Apple CarPlay® preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.

The images shown here are representative of equipment offered as individual features and are specific to each BMW. Depending on the model, the Control Display and presentation of content may differ.

UNIVERSAL ACCESSORIES.

BMW Leather Key Case. The perfectly fitted key case, made from high-quality leather, is fixed to the key with a stylish metal clasp. It protects against scratches, dirt and moisture and protects buttons from accidental usage.

BMW LED Door Projectors. The innovative door projectors are automatically activated when the doors are opened. They project an image onto the ground next to the car using an interchangeable slide.

All-weather floor mats. Precisely fitting protection against moisture and dirt in the front footwells. In black and with a stainless steel X3 inlay, the mats are a perfect match with the interior.

Fitted Luggage Compartment Mat. The anti-slip, waterproof and durable mat with a border helps protect the luggage compartment.

Advanced Car Eye 2.0. A highly sensitive full-HD camera that captures events in front of and behind the car, even when it is parked. In the event of disturbances and extraordinary movement outside the vehicle, the camera automatically records the situation in order to document possible accidents or (attempted) break-ins.

Alloys shown in the brochure are subject to availability.
TRAVEL AND COMFORT ACCESSORIES.

**Child Seat Underlay and Backrest Cover.** Foam padding made of high-quality, robust polyester fabric to protect the seat from soiling and pressure marks. Wipe with a damp cloth to clean. Including backrest cover. Quick and stable attachment.

**Travel & Comfort System – Clothes Hanger.** The Travel & Comfort System clothes hanger in an attractive BMW design makes it possible to hang pieces of clothing on the rear side of the backrest.

**Participants & Comfort System – Base Carrier.** Provides an option to attach clothes hangers, a folding table, universal hooks or holders for GoPro cameras, iPads™ or Samsung Galaxy Tabs to the front seat headrest.

**Travel & Comfort System – Universal Cradle.**

**BMW Baby Seat Group 0+.** The BMW Baby Seat Group 0+ with a five-point belt offers unsurpassed safety and comfort for babies up to approx. 13 kg (approx. 15 months old).

**BMW Junior Seat Group 2/3.** The BMW Junior Seat Group 2/3 can be adjusted as the child grows and offers maximum safety and comfort for children aged approx. 3 to 12 years (approx. 15–36 kg).

**BMW Junior Seat Group 1.** The BMW Junior Seat Group 1 is the safe choice for children from approx. 12 months to 4 years old (approx. 9–18 kg).

**BMW Spectacle Case.** The Spectacle Case with BMW designation keeps glasses stowed safely and easily within reach.

**Travel & Comfort System – Clothes Hanger.** The Travel & Comfort System clothes hanger in an attractive BMW design makes it possible to hang pieces of clothing on the rear side of the backrest.

**The Travel Set.** Includes a carry-on sized trolley suitcase and a carry bag that helps to create extra storage space in the rear seat. The luggage can be transported individually or stacked and secured with the safety belts. This feature locks to prevent theft.

*Only in conjunction with base carrier*
BMW Car Care Products are the BMW approved car cleaning products. Designed to keep your BMW in mint condition from the interior as well as the exterior. They also provide a protective shield against environmental conditions and preserve the high-quality finish of your vehicle.

[Colours] The colours printed above are intended to provide you with a first impression of paints and materials available for your BMW. Experience has shown, however, that printed images of paint, upholstery and interior trim colours cannot faithfully reproduce the actual appearance of the originals. We recommend therefore that you consult your BMW partner who will be able to show you original samples and assist with special requests.
DIMENSIONS.
**BMW EXTENDED WARRANTY AND SERVICE PACKAGE.**

A BMW will run well when it’s kept well. And to make your journey one with complete peace of mind, we have packages under BMW Service and Repair Inclusive that take care of maintenance, inspection, wear and tear and warranty.

**BMW Service Inclusive (BSI)**
A single up-front payment covers an extensive range of work on your BMW for a fixed period.

**Complete Cost Control.**
Integrate the cost of service work in your leasing and finance instalments.

**Fully Flexible.**
You have a choice of various packages with different durations and mileage. You can choose from 3 years with 40,000 km to 10 years with 2,00,000 km.

**Easily Transferable.**
Consistent maintenance by trained BMW Service staff and the use of Original BMW Parts secure the value of your car in the long term. In case you sell your car, BMW Service Inclusive is automatically transferred to the next owner – an additional selling point.

**BMW Repair Inclusive (BRI)**
BRI offers the ease of extending the warranty of your car with unlimited mileage up to 6 years. BRI too is automatically transferred to the next owner in the event of selling your car.

**BMW FINANCIAL SERVICES.**

In the world of BMW, world-class isn’t limited to the vehicles we engineer. It also finds its way into the services we offer. BMW Financial Services is the most flexible and efficient way to realise your dream of owning a BMW. Our goal is to make your financing experience seamless at every step of your purchase so that nothing comes between you and the joy of driving your BMW.

At BMW Financial Services, you are assured of:

- Tailor-made finance options, as per your specific needs
- Quick approvals with fast turnaround time
- Special loyalty benefits
- Part payment facility
- In-house call centre that provides the best-in-class customer interaction

The BMW X3 comes with an exclusive BMW 360° Plan. It has benefits at every step of the way, all to ensure sheer driving pleasure.

**Easy to Buy.**
The BMW 360° Plan allows you to pay low monthly installments as you only pay for what you use.

**Easy to Own.**
BMW offers various options under service and maintenance packages which further reduce your cost of ownership.

**Future Proof.**
The BMW 360° Plan provides Assured Buyback value at the end of your finance contract.

For more information, contact the Finance and Insurance Manager at the nearest BMW Authorised Dealership.
