■ APPLE CARPLAY®

# AND THAT WAS JUST FOR STARTERS.

THE UNIQUE COMBINATION OF ELEGANT AND DYNAMIC DESIGN, INTELLIGENT BMW TECHNOLOGIES AND INNOVATIVE CONTROL CONCEPTS MEANS YOU CAN FOCUS ON YOUR DRIVE. FUELED BY TOP PERFORMERS, THE BMW 5 SERIES COMBINES OUTSTANDING OUTPUT WITH POWERFUL ATHLETICS AND REACHES ALL DESTINATIONS WITH EFFICIENCY AND PURPOSE.  
A TRUE BUSINESS ATHLETE: **THE BMW 5 SERIES.**

**AROUND 20% LESS CO<sub>2</sub> EMISSIONS.**

**BMW EfficientDynamics** is a technology package that goes beyond engines to encompass the entire vehicle concept and intelligent energy management. A whole range of innovative technologies come as standard in all BMW models, continuously increasing vehicle efficiency. By improving aerodynamics, engine efficiency and using lightweight construction design, the BMW 5 Series has succeeded in reducing CO<sub>2</sub> emissions by 15% for 520d and 21% for 530d.

**UP TO 70 kg LIGHTER THANKS TO INTELLIGENT LIGHTWEIGHT CONSTRUCTION.**

Precision-engineered to the smallest detail: intelligent lightweight construction means selecting and applying the best material for every part of the vehicle. The **BMW EfficientLightweight** concept seeks to reduce weight as much as possible by using exceptionally lightweight materials such as aluminium or carbon (carbon fibre reinforced plastic). This gives an added boost to dynamic driving characteristics and increases the vehicle's stability, safety and comfort.

**AERODYNAMICS.**

With targeted measures focusing on Aerodynamics, BMW has optimised drag coefficient and efficiency. Fuel consumption has also been considerably reduced by 18% for 520d and 27% for 530d. The Active air stream kidney grille and the Air curtain on the front wheels are all targeted and detailed measures to further reduce air resistance.

**START-STOP FUNCTION.**

The Start-Stop function enhances fuel efficiency by switching off the engine when the vehicle comes to a temporary standstill. Once the brake pedal is released, the engine starts up again almost instantly.

**DIESEL**

**BMW 520d**

- BMW TwinPower Turbo four-cylinder diesel engine with 190 hp (140 kW) and 400 Nm of torque
- Acceleration 0 – 100 km/h: 7.5 seconds
- Top speed: 235 km/h
- Fuel Economy: 20.37 km/l<sup>1</sup>
- CO<sub>2</sub> emissions: 130 g/km<sup>1</sup>

**BMW 530d**

- BMW TwinPower Turbo six-cylinder diesel engine with 265 hp (195 kW) and 620 Nm of torque
- Acceleration 0 – 100 km/h: 5.7 seconds
- Top speed: 250 km/h
- Fuel Economy: 17.42 km/l<sup>1</sup>
- CO<sub>2</sub> emissions: 152 g/km<sup>1</sup>

**PETROL**

**BMW 530i**

- BMW TwinPower Turbo four-cylinder petrol engine with 252 hp (185 kW) and 350 Nm of torque
- Acceleration 0 – 100 km/h: 6.1 seconds
- Top speed: 250 km/h
- Fuel Economy: 15.01 km/l<sup>1</sup>
- CO<sub>2</sub> emissions: 158 g/km<sup>1</sup>

<sup>1</sup> Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel, etc. as specified in Rule 115 of Central Motor Vehicle Rules, 1989.

With **BMW Gesture Control**, selected functions can be operated by means of defined hand movements. Simple gestures such as 'swiping' or 'pointing' are identified in the recognition area above the centre console and trigger functions such as accepting or rejecting an incoming telephone call, proceeding or cancelling navigation as well as starting and ending voice recordings.

**BMW Head-Up Display** offers a full-colour projection of driving relevant and situational information onto the windscreen with improved resolution of 800 x 400 pixels.

The newly developed interface design of **BMW Live Cockpit Professional with Navigation** makes using the infotainment system in the BMW 5 Series easier, more lucid and intuitive. The 26 cm (10.25") LCD display has Touch Functionality, configurable home screen, 3D Maps and can also be operated through iDrive Touch Controller, and Voice Control.

Preparation for **Apple CarPlay**<sup>1,2</sup> supports the convenient and wireless use of selected iPhone® functions in the vehicle. This allows smartphone content and functions such as music, iMessages/text messages, telephony, Siri and selected third-party apps incl. Google Maps to be displayed and operated via the vehicle's user interface and via voice control.

**Parking Assistant with Surround View Camera** makes parking and manoeuvring the vehicle easier. The Parking Assistant with linear guidance parks the vehicle automatically, parallel or perpendicular to the street. Surround View includes the camera-based functions like Rear View Camera, Panorama View, Top View and 3D View. The cameras in the exterior mirrors as well as at the front and rear of the vehicle allow for a 360° all-around view.

**Remote Control Parking with BMW Display Key** function allows the driver to conveniently get out of the vehicle before parking it via remote control by moving it forward into, or reversing out of a tight parking space or garage. The driver activates the remote-controlled parking function from outside the vehicle via the BMW Display Key.

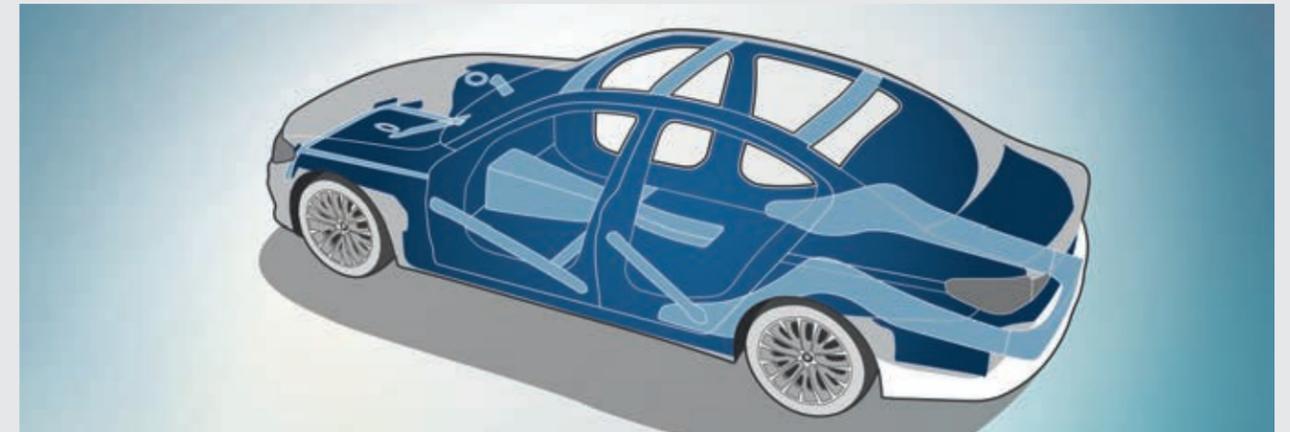

<sup>1</sup> Apps available on Apple CarPlay® is dependent on country specific offer by Apple. <sup>2</sup>The compatibility and range of functions from Apple CarPlay® depend on the model year and the software installed on the iPhone®. When the Apple CarPlay® preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.

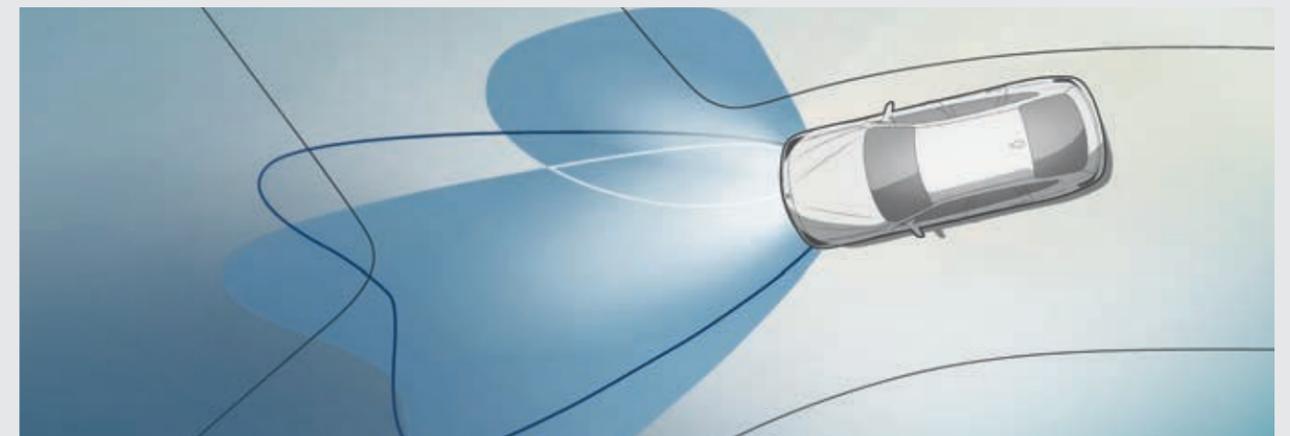

The **8-speed Steptronic Sport Transmission** offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever - for comfortable coasting or incredibly dynamic driving. In SPORT+ mode and with the gear lever in the left hand S/M position, the gear shifts are configured for maximum performance.

The **Dynamic Damper Control** makes it possible to adjust the damper characteristics to suit respective driving and road situation, increasing comfort and driving dynamics.

Additionally, **ADAPTIVE Mode** is an intelligent driving mode that automatically supports a more sporty or comfortable driving style in accordance with individual driving behaviour.

The extremely torsionally stiff but light **Body Construction** provides the basis for sporty driving dynamics, high precision steering and agility. Additionally, it offers the passengers the best possible all-round protection.

**LED Headlights with Adaptive headlights**, variable city and motorway light distribution and BMW Selective Beam provide optimum illumination of the road when driving in the dark. Even at a standstill, the integrated cornering lights are automatically activated by signalling or turning the steering wheel and are active at speeds of up to 35 km/h.

**Dynamic Stability Control (DSC)** permanently assesses the vehicle's movements and stabilises it using engine and braking regulation when unstable driving conditions are detected. Additional features of DSC are, for example, brake drying, braking readiness or the Hill-Start Assistant, which holds the vehicle briefly in place when starting on inclines to prevent it from rolling backwards.

PARKING  
AS IF  
BY MAGIC.

If you wish, the BMW 5 Series can do the parking for you courtesy of the Remote Control Parking function. Simply centre the vehicle ahead of a space, step out and use the standard BMW Display Key to manoeuvre your BMW, even if it's a tight spot.

Once parked, the engine can be switched off via the key. And when it's time to move on, the engine can also be restarted via the key. During remote-controlled pulling out of a parking space, the vehicle automatically reverses in a straight line.

The **Adaptive LED Headlights with High Beam Assistant** include BMW Selective Beam, cornering lights and adaptive headlights. The light colour is similar to daylight and provides an ideal, even illumination of the road to improve visibility and make driving in the dark less tiring.

The iconic light design with four light elements makes the vehicle recognisable as a BMW even at night.

The **Electric Glass Sunroof** with slide and lift function, including an electric sliding interior roof, anti-trap protection, as well as comfort opening and closing, allows the airflow to be individually regulated to create a pleasant interior climate.

The integrated wind deflector prevents draughts from developing in the interior and ensures a lower level of wind noise.

The **Comfort Access** with smart-opener makes it possible to open all four vehicle doors, including the luggage compartment, without using the key. This equipment includes contactless opening of the bootlid with a quick wave of the foot under the rear bumper.

The **Active Air Stream Kidney Grille** knows when the engine, brakes and other components need air and automatically opens the air vents. If no further air intake is required, it closes them again. This improves aerodynamics and fuel consumption falls.

The **Air Breather** channels air to the front wheels, reducing air resistance, fuel consumption and CO<sub>2</sub> emissions.

The **BMW Display Key** shows various information about the vehicle's status and allows selected functions to be controlled with an integrated touch display.

The **iDrive Touch Controller** with direct menu control buttons, eight functional bookmarks and voice control makes operation intuitive by allowing you to enter the address of your destination in handwriting on its touch-sensitive surface.

**BMW Individual Exterior Line** in satinised Aluminium creates luxurious highlights with window recess finishers and side frame trim strips in silky matt brushed Aluminium.

The exterior mirror frames and bases in Black High-Gloss create a stylish contrast to these elements.

With **BMW Gesture Control**, certain functions can be operated by means of defined hand movements. For certain operations the system will, for example, recognise gestures such as 'swiping' or 'pointing' for accepting or rejecting an incoming call, or circular motions of the index finger to adjust volume.

The **Automatic Air Conditioning with Four-Zone Control** comes with the equipment included in automatic air conditioning with two-zone control with extended features, along with two air vents in the B columns. Additionally, the rear passengers can individually adjust their own climate via a separate control element with display.

Comfort seats in exclusive leather 'Nappa' complemented with an **Instrument Panel in Sensatec Leather** and **Ambient Lighting** lend the interior a highly exclusive atmosphere.

The **Comfort Seats** for driver and front passenger can be electrically adjusted in a variety of ways and provide a perfect seating position for a relaxed arrival.

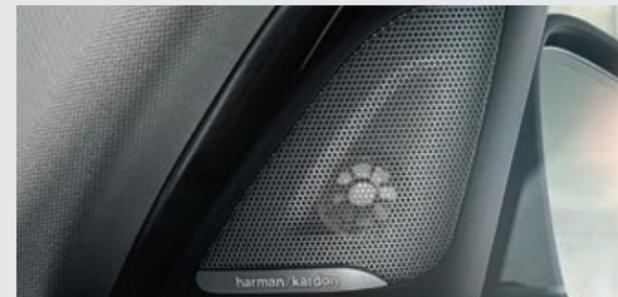

The **Lumbar Support** for the driver and front passenger seats can be adjusted both vertically and laterally, allowing for an orthopaedically optimised seating position.

The **LED Rear Lights** are split into two parts, with LED technology featured in the tail lights, brake lights, turn indicators and reversing lights.

Enhanced Bluetooth with **Wireless Charging<sup>1</sup>** offers a comprehensive telephony package with Bluetooth connectivity.

The **Harman Kardon Surround Sound System** with a powerful 600-Watt digital amplifier, vehicle specific equalising, 16 loudspeakers, including 2 with Chrome surround, a center speaker and surround mode create an aural experience of the highest intensity.

The **BMW Head-Up Display** offers a full-colour projection of driving relevant and situational information onto the windscreen with improved resolution of 800 x 400 pixels.

The newly designed **Instrument Display** with Black Panel technology and a screen diagonal of 31.2 cm (12.3") provides a highly impressive visualisation of the driving experience. The different modes and their specific displays – each of which has its own colour scheme and graphic style – can be displayed in the instrument cluster.

The **Driving Experience Control** offers the driver the choice between the standard COMFORT mode, ECO PRO mode, geared towards efficiency and SPORT+ mode, which enables an even more dynamic driving experience.

Additionally, **ADAPTIVE Mode** is an intelligent driving mode that automatically supports a more sporty or comfortable driving style in accordance with individual driving behaviour.

**Parking Assistant with Surround View Camera** makes parking and manoeuvring the vehicle easier. The Parking Assistant with linear guidance parks the vehicle automatically, parallel or perpendicular to the street. If the driver parks manually without the help of the Parking Assistant, Active Park Distance Control (PDC) offers additional protection against damage with the Lateral parking aid.

The **Reversing Assist Camera** enables improved orientation when reversing at speeds below 10 kmph. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist the driver when manoeuvring, obstacles are marked in colour.

<sup>1</sup> Inductive charging in accordance with Qi-standards for compatible mobile phones. Special charging cases available as BMW Original Accessories for select smartphones featuring Qi-standard inductive charging.

#### Standard Equipment

- Adaptive LED Headlights
- Glass sunroof, electrical
- Roller Sunblinds
- BMW Gesture Control
- BMW Display Key
- Fully Digital Instrument Display with 31.2cm (12.3") diagonal display
- Automatic air conditioning with dual zone control
- BMW Live Cockpit Professional with Navigation with 26 cm (10.25") Touch Display
- HiFi Loudspeaker System (205 W, 12 loudspeakers)
- Park Distance Control (Front and Rear) with Rear view camera
- Apple CarPlay®

#### Exterior Design

- BMW kidney grille with longitudinal slats in Chrome and Black
- Front bumper with specific design elements in Black High-Gloss
- Mirror base, B-pillar finisher and window guide rail in Black High-Gloss
- Air Breather in satinised aluminium
- Window-frame surround, recess cover in satinised aluminium
- Exhaust tailpipe finishers in Chrome
- 17" light alloy wheels V-spoke style 631 with runflat tyres

#### Interior Design

- Door Sills in aluminium fine cutting with BMW designation front and rear
- Electrically Adjustable Seats in Sensatec Upholstery
- Multi-function Sport Leather Steering Wheel
- Interior trim finishers in black High-Gloss with highlight trim finisher Pearl Chrome
- Variable Ambient Light in six colours
- Cupholders in front and rear

#### Standard Equipment

- Adaptive LED headlights
- Glass sunroof, electrical
- BMW Gesture Control
- BMW Display Key
- Fully Digital Instrument Display with 31.2cm (12.3") diagonal display
- Automatic air conditioning with dual zone control
- BMW Live Cockpit Professional with Navigation with 26 cm (10.25") Touch Display
- Harman Kardon Surround Sound system (600 W, 16 loudspeakers)
- Surround view cameras with 360° view
- Parking Assistant
- Remote Control Parking
- Wireless Charging
- Apple CarPlay®

#### Exterior Design

- Air Breather in satinised aluminium
- BMW kidney grille with vertical slats in Black High-Gloss
- Front bumper with specific design elements in Black High-Gloss
- M designation on the front side panels
- Mirror base, B-pillar finisher and window guide rail in Black High-Gloss
- M Aerodynamics package with front apron, side skirts and rear apron with diffuser insert in dark shadow metallic
- Tailpipe finisher trapezoidal in Chrome High-Gloss
- Window recess cover and finisher for window frame in satinised aluminium
- M Sport brake with dark blue metallic painted brake calipers with M designation
- 18" M light alloy wheels Double-spoke style 662 M with mixed tyres

#### Interior Design

- M door sill finishers, illuminated
- Sport seats for driver and front passenger in Leather 'Dakota'
- Multi-function M leather steering wheel in Black/Dark Coffee
- Car key with exclusive M designation
- Interior trim finishers Aluminium Rhombicle with highlight trim finishers Pearl Chrome
- Variable ambient light in six colours
- BMW Individual headliner Anthracite

#### Standard Equipment

- Adaptive LED headlights
- Glass sunroof, electrical
- BMW Gesture Control
- BMW Display Key
- Fully Digital Instrument Display with 31.2cm (12.3") diagonal display
- Automatic air conditioning with 4-zone control, two extra vents in B-pillar
- BMW Live Cockpit Professional with Navigation with 26 cm (10.25") Touch Display
- Harman Kardon Surround Sound system (600 W, 16 loudspeakers)
- Surround view cameras with 360° view
- Parking Assistant
- Remote Control Parking
- Wireless Charging
- Apple CarPlay®

#### Interior Design

- M door sill finishers, illuminated
- Comfort seats for driver and front passenger in Exclusive Leather 'Nappa'
- Multi-function M leather steering wheel in Black/Dark Coffee
- Car key with exclusive M designation
- Interior trim finishers in fine-wood trim 'Fineline' ridge with accent in Pearl Chrome
- Variable ambient light in six colours
- Instrument panel in Sensatec Black or Dark Coffee
- BMW Individual headliner Anthracite

# ORIGINAL BMW ACCESSORIES.

AS A PROUD BMW OWNER, ACCESSORIES ARE CUSTOMISED TO YOUR OWN INDIVIDUAL TASTE. NOW YOU CAN FURTHER ENHANCE YOUR DRIVING PLEASURE WITH ORIGINAL BMW ACCESSORIES AND PERSONALISE YOUR 5 SERIES FOR A GREATER LEVEL OF LUXURY. CHOOSE FROM OUR WIDE RANGE OF ACCESSORIES SPECIALLY DESIGNED FOR THE INTERIOR, EXTERIOR, ENTERTAINMENT, CONNECTIVITY, TRAVEL AND COMFORT TO SUIT YOUR INDIVIDUAL NEEDS.

**BMW M Performance Drive Analyser.** The Drive Analyser comprises of an on-board diagnostics stick and a smartphone app to collect and analyse a variety of technical driving data.

**BMW M Performance Kidney Grille, Black.** The High-Gloss Black kidney grille gives the front of the car an even more dynamic and athletic look. The glossy Black surrounds make the air inlet appear more striking and bigger than ever.

**Front Attachment, Carbon Fibre.** The front attachment carbon is perfectly tailored to the vehicle design. A unique motorsport look for anybody who refuses to compromise.

**Front Splitter, Carbon Fibre.** The 100 percent carbon fibre front splitter provides optimum aerodynamics and emphasises the vehicle's masculine appearance.

**BMW M Performance Accent Stripes.** The accent stripes in black/silver matt give the car a highly individual and dynamic appearance.

**BMW M Performance Rear Spoiler, Carbon Fibre.** The BMW M Performance rear spoiler made of 100% carbon underscores the individual appearance of the vehicle and guarantees optimised aerodynamic values.

**Key Case, Alcantara/Carbon Fibre.** The key case's material mix of carbon fibre and Alcantara is highly captivating. With accents in BMW M Blue.

**Track Fix for GoPro Cameras.** The BMW M Performance Track Fix for GoPro cameras provides a safe base for taking professional exterior shots while driving on the racetrack.

**Exterior Mirror Caps, Carbon Fibre.** The striking carbon fibre exterior mirror caps underscore the vehicle's high-tech pedigree, adding an individual athletic touch.

**20" Light Alloy Wheels Double-Spoke Style 669 M.** The high-quality 20" BMW M Performance light alloy wheels are forged in bi-colour matt black and feature the BMW M logo.

**BMW Side Skirt Transfers.** The side skirt transfers in Black perfectly complement the vehicle's design, underscoring its individual, athletic profile. With coloured BMW M Performance lettering.

**BMW M Performance Rear Diffuser, Carbon.** The high-tech rear diffuser creates an even more dynamic appearance and makes the car's muscular look even more impressive.

## WHEELS AND TYRES.

20" BMW Individual light alloy V-spoke style 759 I wheels bi-colour, front 8J x 20 with 245/35 R20 tyres and rear 9J x 20 with 275/30 R20 tyres.

19" light alloy V-spoke style 663 I wheels bi-colour, front 8J x 19 with 245/40 R19 tyres and rear 9J x 19 with 275/35 R19 tyres.

17" light alloy V-spoke style 618 wheels, 7.5J x 17 with 225/55 R17 tyres.

17" light alloy V-spoke style 631 wheels, 7.5J x 17 with 225/55 R17 tyres.

18" light alloy Multi-spoke style 619 wheels, 8J x 18 with 245/45 R18 tyres.

18" light alloy V-spoke style 684 wheels, 8J x 18 with 245/45 R18 tyres.

18" M light alloy Double-spoke style 662 M wheels, front 8J x 18 with 245/45 R18 tyres, rear 9J x 18 with 275/35 R18 tyres.

19" M light alloy Double-spoke style 664 M wheels, front 8J x 19 with 245/40 R19 tyres and rear 9J x 19 with 275/35 R19 tyres.

19" M light alloy Double-spoke style 664 M wheels, Black, front 8J x 19 with 245/40 R19 tyres and rear 9J x 19 with 275/35 R19 tyres.

## EXTERIOR ACCESSORIES.

**BMW Outdoor Car Cover.** The fitted, waterproof outdoor car cover reliably protects the car all year round from the sun, water, dirt and scratches, helping to maintain the value of the vehicle.

**BMW Mud Flaps.** Available for both front and rear wheels. Protect your vehicle and the car behind you against dirt and stone chips.

**BMW LED Door Projectors.** The innovative door projectors are automatically activated when the doors are opened. They project an image onto the ground next to the car using an interchangeable slide.

**Travel & Comfort System – Universal Hook.**<sup>1</sup> The universal hook makes it possible to hang items of clothing or light bags on the rear side of the backrest, protecting them from dirt in the footwell.

**BMW Backrest Bag.** Ideal for travelling with children. Black in colour, the bag is attached to the front seat backrest. With various closable pockets and an insulated bottle compartment, it offers a large amount of storage space of all kinds of items.

**BMW Leather Key Case.** The perfectly fitted key case, made from high-quality leather, is fixed to the key with a stylish metal clasp. It protects against scratches, dirt and moisture and protects buttons from accidental usage.

**BMW Baby Seat Group 0+.** The BMW Baby Seat Group 0+ with a five-point belt offers unsurpassed safety and comfort for babies up to approx. 13 kg (approx. 15 months old).

**BMW Junior Seat Group 1.** The BMW Junior Seat Group 1 is the safe choice for children from approx. 12 months to 4 years old (approx. 9–18 kg).

**BMW Display Key Case.** The precision-t case made from Nappa leather protects the BMW Display Key from dirt and scratches.

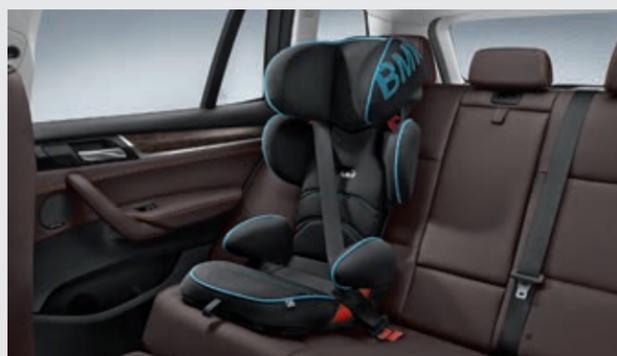

**BMW Headphones Bowers & Wilkins - Black/Silver.**<sup>2</sup> The new BMW Headphones from the premium high-end audio specialists Bowers & Wilkins impress with outstanding acoustic properties and an exceptional audio experience.

**Wireless Charging Case.** The wireless charging case enables inductive charging of the iPhone 5/5s, iPhone 6/6s and iPhone 6/6s Plus models.

**All-Weather Floor Mat.** Specially for the BMW 5 Series, so it offers a 100% fit. Simple to attach using a velcro disc attachment system, so it is non-slip.

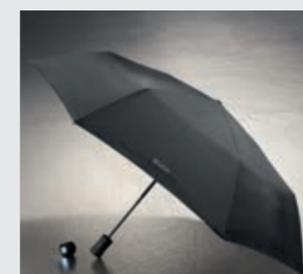

**BMW Junior Seat Group 2/3.** The BMW Junior Seat Group 2/3 can be adjusted as the child grows and offers maximum safety and comfort for children aged approx. 3 to 12 years (approx. 15–36 kg).

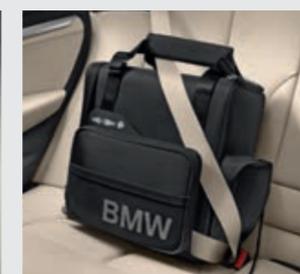

**Advanced Car Eye 2.0.** A highly sensitive full-HD camera that captures events in front of and behind the car, even when it is parked. In the event of disturbances and extraordinary movement outside the vehicle, the camera automatically records the situation in order to document possible accidents or (attempted) break-ins.

**BMW LED torch.** The BMW LED torch features an elegant stainless steel design and is highly impressive, with very low energy consumption, a lifespan of up to 2,000 charges and an enormous illumination range.

**BMW Umbrella with LED Light.** The practical BMW umbrella with automatic opening and closing provides protection from rain and direct sunlight.

**Cool Bag.** The attractive electric cool bag in Black and Anthracite has a 14-litre capacity.

**BMW Dual USB Charging Adapter.** The BMW dual USB charging adapter is simply inserted into the cigarette lighter.

<sup>1</sup>Only in conjunction with base carrier.

<sup>2</sup>Subject to availability.

## INTERIOR ACCESSORIES.

**Rear Storage Bag.** The roomy black bag with beige highlights is easily attached to the centre safety belt and can also be used as an arm rest in the rear.

**Child Seat Underlay and Backrest Cover.** Foam padding made of high-quality, robust polyester fabric to protect the seat from soiling and pressure marks. Wipe with a damp cloth to clean. Including backrest cover. Quick and stable attachment.

**Travel & Comfort System – Universal Cradle.<sup>1</sup>**

**Travel & Comfort System – Folding Table.<sup>1</sup>**

**Travel & Comfort System – Clothes Hanger.<sup>1</sup>** The Travel & Comfort System clothes hanger in an attractive BMW design makes it possible to hang pieces of clothing on the rear side of the backrest.

**Travel & Comfort System – Base Carrier.** Provides an option to attach clothes hangers, a folding table, universal hooks or holders for GoPro cameras, iPads™ or Samsung Galaxy Tabs to the front seat headrest.

## TRANSPORT SOLUTIONS.

**BMW Mobility Set.** With the intuitive BMW Mobility Set, damage on the tyre tread of less than 4 mm can be fixed. The set comprises a powerful compressor, tyre sealant, gloves and various valve adapters that can also be used.

**Driver Utility Set.** The driver utility set includes a selection of tools for various applications.

**Powder Fire Extinguisher.** The fire extinguisher's pressure control mechanism and large sturdy handle make it user-friendly. The spray of extinguishing agents can be interrupted to allow targeted extinguishing.

**BMW Jump Lead.** The copper cable jump lead is fully insulated with an integrated protective circuit and highly robust battery clamps. Delivered in a storage bag with two versions – 3.5 m long with a cross-section of 25 mm<sup>2</sup> or 4.5 m long with a cross-section of 35 mm<sup>2</sup> for vehicles with a large capacity.

**BMW 5.0 Amp Battery Charger.** The 5.0 Amp battery charger can be used to recharge batteries to full capacity. In addition, battery diagnosis and recharging of deeply discharged batteries is also possible.

<sup>1</sup>Only in conjunction with base carrier.

THE ART  
OF CAR CARE.

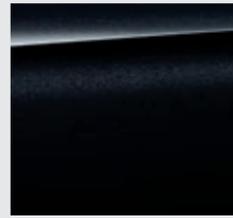

BMW Car Care Products are the BMW approved car cleaning products. Designed to keep your BMW in mint condition from the interior as well as the exterior. They also provide a protective shield against environmental conditions and preserve the high-quality finish of your vehicle.

# DIMENSIONS.

# BMW EXTENDED WARRANTY AND SERVICE PACKAGES.

A BMW will run well when it's kept well. And to make your journey one with complete peace of mind, we have packages under BMW Service and Repair Inclusive that take care of maintenance, inspection, wear and tear and warranty.

## BMW Service Inclusive (BSI)

A single up-front payment covers an extensive range of work on your BMW for a fixed period.

### Complete Cost Control.<sup>2</sup>

Integrate the cost of service work in your leasing and finance installments.

### Fully Flexible.

You have a choice of various packages with different durations and mileage. You can choose from 3 years with 40,000 km to 10 years with 2,00,000 km.

### Easily Transferable.

Consistent maintenance by trained BMW Service staff and the use of Original BMW Parts secure the value of your car in the long term. In case you sell your car, BMW Service Inclusive is automatically transferred to the next owner – an additional selling point.

## BMW Repair Inclusive (BRI)

BRI offers the ease of extending the warranty of your car with unlimited mileage up to 6 years.

BRI too is automatically transferred to the next owner in the event of selling your car.

Service Inclusive Packages		Oil Inclusive	Service Inclusive Basic	Service Inclusive Plus	Repair Inclusive
Scope of Services		Maintenance Engine oil service.	Maintenance All maintenance work, including any BMW Original Parts and oil required.	Wear and Tear Additional wear and tear repairs including any Original BMW Parts required.	Repair Extension of your statutory right to claim for vehicle defects (warranty).

# BMW FINANCIAL SERVICES.

**BMW Financial Services**  
Realize the dream.

In the world of BMW, world-class isn't limited to the vehicles we engineer. It also finds its way into the services we offer. BMW Financial Services is the most flexible and efficient way to realise your dream of owning a BMW. Our goal is to make your financing experience seamless at every step of your purchase so that nothing comes between you and the joy of driving your BMW.

At BMW Financial Services, you are assured of:

- Tailor-made finance options, as per your specific needs
- Quick approvals with fast turnaround time
- Special loyalty benefits
- Part payment facility
- In-house call centre that provides the best-in-class customer interaction

The BMW 5 Series comes with an exclusive BMW 360° Plan. It has benefits at every step of the way, all to ensure sheer driving pleasure.

### Easy to Buy.

The BMW 360° Plan allows you to pay low monthly installments as you only pay for what you use.

### Easy to Own.

BMW offers various options under service and maintenance packages which further reduce your cost of ownership.

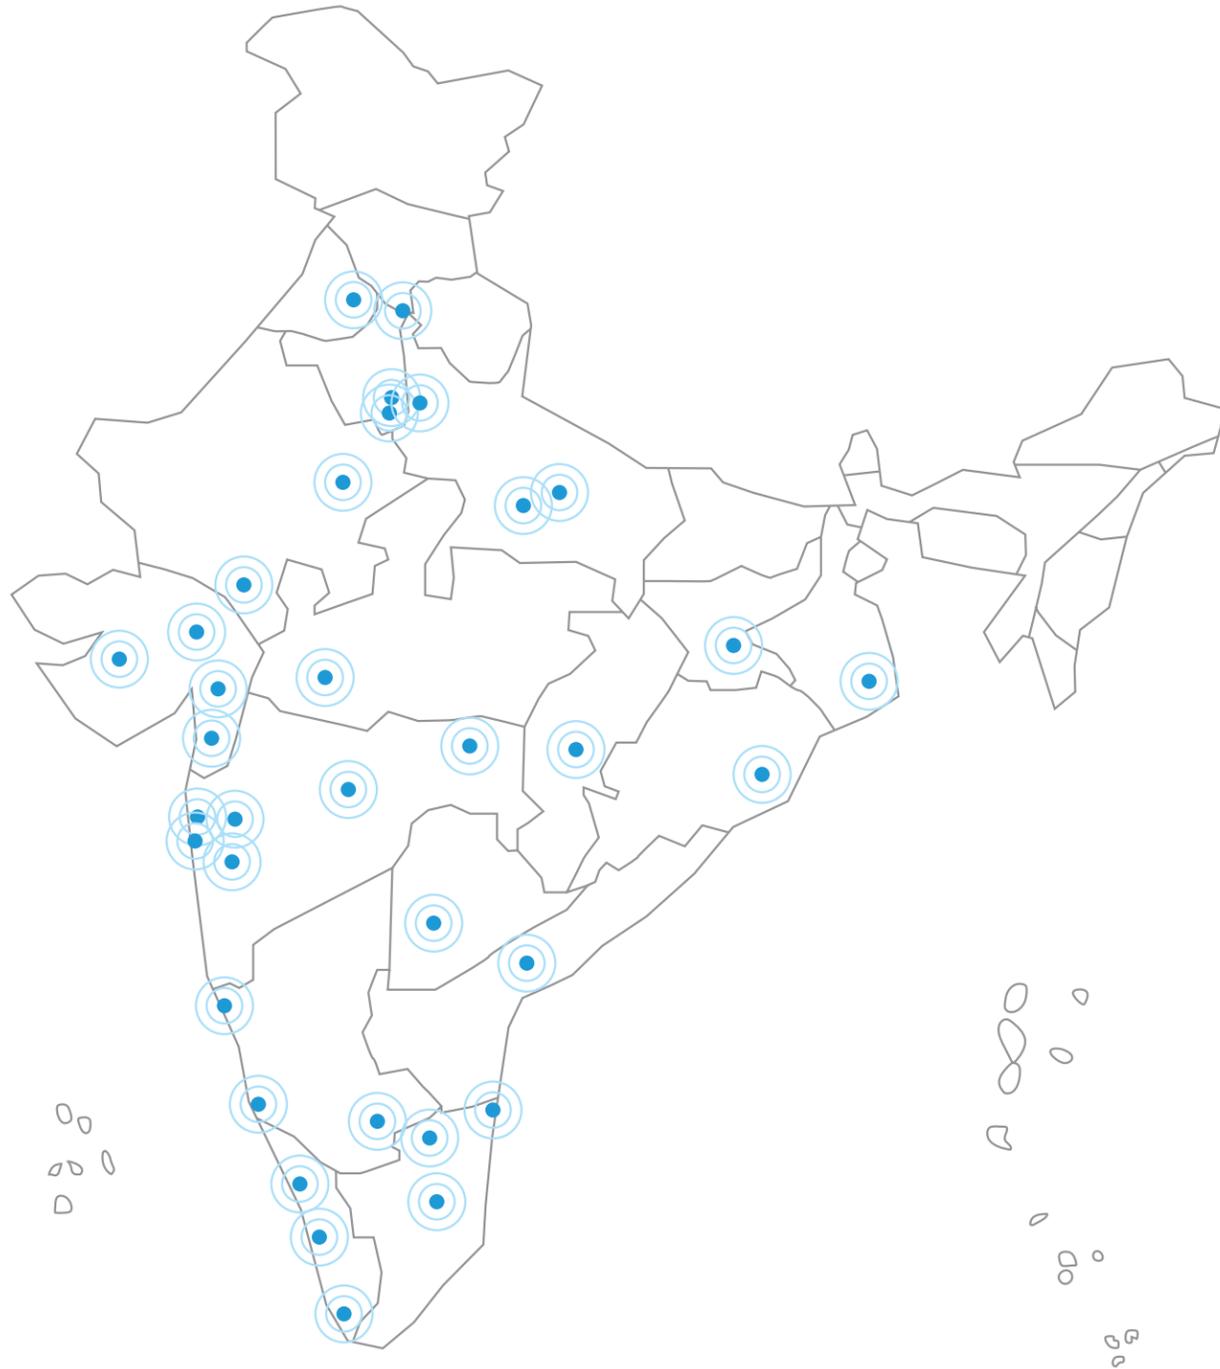

### Future Proof.

The BMW 360° Plan provides Assured Buyback value at the end of your finance contract.

For more information, contact the Finance and Insurance Manager at the nearest BMW Authorised Dealership.

<sup>1</sup> Terms and conditions apply.

<sup>2</sup> Applicable only with BMW India Financial Services Private Limited during the initial purchase of the vehicle (not on other finance options or during upgrades).
